

July 29, 2022

These PPE items are available from the SE MN Disaster Health Coalition at NO COST

Please email kristen@myacst.com the quantity and item you would like, along with contact name, email and phone number to arrange for pick up or supply billing account for shipment by FedEx or UPS.

FedEx or UPS Billing Account creation:

The Coalition does not have funding to pay for shipping. Your organization would need to create a shipping account to use from Fed Ex or UPS. FedEx delivery you have to create an account and send Kristen the account number to bill

<https://www.fedex.com/en-us/create-account.html>

UPS account set up is located here:

https://wwwapps.ups.com/doapp/signup?loc=en_US&returnto=https:%2F%2Fwwwapps.ups.com%2Fdoapp%2FSignUpOpenAccount%3Floc%3Den_US

How the process works:

These items are first come, first served until supplies last. You have to notify Kristen of how many you would like and either you prefer to come to Rochester to pick them up or pay to have them delivered by providing a billing account for UPS or FedEx. Once the request is submitted to Mayo Clinic it takes a day or two for the order to be pulled and ready. Someone from Mayo Clinic Warehouse will contact you directly when the order is ready for pick up or if you requested shipment Mayo Clinic processes the request for shipment using the account you supplied through UPS or FedEx.

Item	Manufacturer Number	Description 1
